MORVA

WHO ARE WE?

OUR STORY

Ahsen Morva Tekstil was established in Osmanbey in 1983. Based on the principle of customer satisfaction, Ahsen Morva Tekstil has now reached a position of exporting to more than 10 countries by offering a wide collection as well as timeless pieces in order to keep its product range up-to-date and innovative.

Combining its classical elegance with its avant-garde line, it is the symbol of high trust, quality and prestige in children's school textiles and children's daily textiles, not only in Turkey but also in the countries it exports to.

WHAT ARE WE DOING?

OUR MISSION

To ensure continuity as the first choice of the customer with product diversity and product quality in line with customer expectations.

WHAT DO WE AIM?

OUR VISION

o offer a wide range of products to our customers and to become the address of reliability and quality in the foreign market.
